

composition comprising one or more compounds of claim 21 in one or more pharmaceutically acceptable carriers, and in separate container, one or more pharmaceutical compositions comprising one or more antiviral or other agents useful in the treatment of Human Immunodeficiency Virus in one or more pharmaceutically acceptable carriers.--

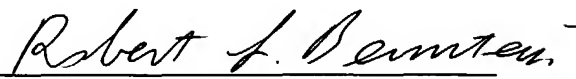

REMARKS

Application 10/229,466 is currently pending. No substantive office action has issued yet on the case.

By way of this Preliminary Amendment, Applicants have cancelled claims 1-20 and replaced them with new claims 21-40. Support for the newly added claims can be found in the original claims as filed as well as in various pages of the Specification. No new matter has been added. The Commissioner is authorized to charge any additional fees for these new claims to Deposit Account No.: 19-0365. If the Office has questions, the undersigned Attorney of Record may be contacted.

Respectfully submitted,

July 29, 2003
